This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at http://books.google.com/

FÖRORD.

Det arbete, som härmed öfverlemnas i allmänhetens händer, omfattar de allra flesta svenska ord och sammansättningar.

De källor, som ligga till grund för detsamma, äro hufvudsakligen: för svenskan A. F. Dalins ordbok och för engelskan Imperial Dictionary of the English Language (1882 års upplaga). För stafningssättet har jag följt Svenska Akademiens ortografi, så långt dess ordlista räckt, och för öfrigt allmänna bruket.

Den nästan totala frånvaron af goda, tidigare arbeten i svensk-engelsk lexikografi har naturligtvis i sin mån gjort sig kännbar, och egna kunskaper, biträde af en i engelska språket ojäfvig auktoritet samt sakkunniga mäns understöd ha icke varit tillräckliga att förebygga brister. Icke desto mindre vågar jag hoppas, att arbetet skall i det närmaste motsvara sitt ändamål och lemna en god öfverblick af engelska språkets ordförråd.

Till alla dem, som med upplysningar, bidrag och råd godhetsfullt lemnat mig sitt bistånd, ber jag få framföra min hjertliga tack, äfvensom betyga mina förläggare min djupa erkänsla för aldrig svikande tillmötesgående och välvilja.

Vexiö i januari 1889.

C. G. Björkman.

Anvisningar för begagnandet.

Som allmän regel gäller att alltid jemföra substantiv, som uttrycka yttring af verksamhet (t. ex. *ankomst*, *aning*, *anryckning*), med verbet af samma stam (alltså *ankomma*, *ana*, *anrycka*), och substantiv, som uttrycka egenskap (t. ex. *absolutism*, *andäktighet*, *bitterhet*), samt afledda adverb (t. ex. *andäktigt*, *bittert*) med motsvarande adjektiv (alltså *absolut*, *andäktig*, *bitter*). Svenska afledda abstrakta substantiv på *-else*, *-ing*, *-ning* etc. öfversättas alltid med part. pres. af det engelska verbet a) då deremot svarande engelskt rent substantiv saknas, och b) då man ej med säkerhet vet, hvilket af flere engelska substantiv vore det rättaste att använda.

ⓐ betecknar antingen handling (t. ex. *afdelning*, *afdelning från höger*, *delning af bytet*) eller att ordet fattats abstrakt (jfr *adel*). ⓚ betecknar antingen materielt substantiv (t. ex. *afdelning*, *truppafdelning*) eller att ordet fattats konkret (jfr *adel*).

Tecknet □ betyder, att, om till det svenska ordet finnas flere engelska ord af enahanda betydelse, dessa kunna användas för hvarandra. Derjemte användes det (vanligen i förening med ett komplement) för att återgifva öfversättningen till den svenska fras, efter hvilken det står, t. ex. *ni har rätt*, you are right [□ and I myself am in the wrong]: detta för att icke onödigtvis upprepa den redan gjorda öfversättningen (här: you are right).

Öfriga tecken torde kunna förstås utan förklaring. Eng. betyder *engelsk språkegenhet*, Am., *amerikansk dito*, Sk., *skotsk*, Ir., *irländsk*, och Fr., *fransk dito* o. s. v., liksom lag, betyder *lagterm*, sjö., *sjöterm* etc. Se f. e. betyder *se för synonymer* eller *synonymik*.

Den synonymik, som här och hvar förekommer, afser icke endast de engelska orden under det svenska rubrik- eller uppslagsord den står, utan äfven sådana engelska ord under andra rubrik- och uppslagsord, å hvilka den samma kan ega tillämpning. Den får ingalunda fattas som synonymik till det svenska ordet, utan endast som en utredning af de i den samma förekommande engelska ordens betydelse i förhållande till hvarandra.

bröllop, *n.* 1. wedding, nuptials; bridals ⁂, espousals, double P; giftermål marriage (Syn. Marriage is the union, or the act of forming or entering into the union; wedding is rather the ceremonies celebrating the union, but not essential to it. Marriages are often constituted without a wedding. Nuptial is the Latin word for wedding, but is used in a more dignified sense—we say a village wedding, but the nuptials of a prince; matrimony is the married state, or the state into which marriage brings us; wedlock is

* det brukligaste. ⁂ mindre brukligt. F talspråk. P lägre språk. □ [ett af] föregående engelska uttryck eller ord.

Google

the Anglo-Saxon or vernacular English word for matrimony, and hardly differs from it in meaning. Marriage is sometimes used for matrimony, but matrimony is never used for marriage.]; *hålla, göra ~ åt ngn*, hold a wedding; återges oftast genom omskrivning t. ex. the nuptials were celebrated at his house; he gave the wedding breakfast; *fira sitt ~*, celebrate one's marriage; *bjuda på ~*, invite to a wedding; *före ~et*, before the wedding; strax före on the eve of marriage; *efter ~et*, after the wedding; *bjudningskort till ett ~*, wedding-card. **2.** boktr. double. **-sbädd,** *m.* bridal bed. **-sdag,** *m.* wedding (ell. marriage)-day; bridal day; *bestämma ~en*, name the day. **-sdekoration,** *m.* marriage -favour. **-sdikt,** *f.* se *-sqvädе*. **-sdräkt,** *f.* wedding-dress. **-sfackla,** *f.* wedding-torch. **-fest,** *m.* wedding-festivity. **-sfolk,** *n.* wedding -guests. **-sgåfva,** *f.* wedding-present; bride-wain Am. **-sgård,** *m.* wedding-house; bride's house. **-sgäst,** *m.* wedding-guest. **-hus,** *n.* se *-sgård*. **-shögtidlighet,** *f.* **1.** marriage ceremony. **2.** se *-sfest*. **-skaka,** *f.*, **-skrokan,** *m.* wedding-cake, bride-cake. **-skläder,** *pl.* wedding-clothes (ell. -garments). **-sklädning,** *f.* se föreg. samt *brudklädning*. **-smarskalk,** *m.* groomsman, bottle-holder P. **-snatt,** *f.* wedding-night. **-sqvåde,** *n.* hymeneal, marriage -song, epithalamium; nuptial poem. **-srosett,** *m.* bride-favour. **-sskrud,** *m.* bridal robes. **-sång,** *m.* wedding (ell. marriage, bridal) song; hymeneal. **-sverser,** *m. pl.* wedding-verses.

dissenter, *m.* dissenter; från eng. episkopalkyrkan afv. non-conformist; afv. dissident isht lutheran, calvinist ell. anhängare af grekiska kyrkan i Polen, som under valmonarkien egde tillåtelse att utöfva sin religion. [Syn. A heretic is a maintainer of heresy; a schismatic, a promoter of schism; a sectarian, sectary or sectanist, a member of a sect; a dissenter, one who dissents from an established religion or church; a non-conformist, one who does not conform to an established religion or church. Some of the ecclesiastical terms are differently used by different persons, and in different countries. Roman Catholics apply the term heretic to all Protestants. The terms dissenter and non-conformist are applicable to a part of the inhabitants of Great Britain, where there is an established form of religion; but they are not applicable to any in the United States. These several terms are often used as terms of reproach, in greater or less degree; but schismatic and heretic are terms of greater reproach than the others. Se vidare *otrogen*.] **-kapell**, *n.* dissenter's chapel; förakt. schism-shop. **-lag**, *m.* dissenter's bill, non-conformist act. **-prest**, *m.* vanl. methodist (Wesleyan etc.) minister; förakt. schism-monger.

II. *m.* ⓐ death, decease äfv. lag., demise, exit, obit; bildl. consummation; förut inträffad predecease [Syn. Death is a general or a particular term and is applicable to men or animals, to one or many. Departure, decease, and demise are particular expressions suited only to the condition of human beings. Departure is a Christian term, which carries with it an idea of passage from one life to another. Decease presents only the idea of leaving life to the survivors. It is either a technical term in law for death, or it is used in common discourse for the falling off from the number of the living. Demise signifies properly a putting off, and in this acceptation the putting off mortality: it is therefore appropriately used for princes, to denote that they at the same time put off or resign an earthly crown.]. Ⓔ death, end, bane ✳; *~en,* Death; the king

The operation of thought is expressed by consider and reflect, but it varies in the circumstances of the action. Consideration is employed for practical purposes; reflection, for matters of speculation or moral improvement. Common objects call for consideration; the workings of the mind itself, or objects purely spiritual, occupy reflection. It is necessary to consider what is proper to be done; it is consistent with our natures, as rational beings, to reflect on what we are.]. **-sinnande,** I. *adj.* reflective. II. *n.* = **-sinning,** *f.* reflection, consideration; f. o. Alone signifies altogether one, or single: that is, by one's self. Solitary signifies the quality of being alone. Lonely signifies in the manner of alone. Alone marks the state of a person; solitary, the quality of a person or thing. lonely, the quality of a thing only. A person walks alone or takes a solitary walk in a lonely place. Whoever likes to be much alone is of a solitary turn. Wherever he can be most and oftenest alone, that is a solitary or lonely place. Desert conveys the idea of a place made solitary by being shunned, from its unfitness as place of residence. Desolate conveys the idea of a place made solitary, or bare of inhabitants and all traces of habitation, by violent means: desolation is solitude coupled with wretchedness; every country may become desolate which is exposed to the inroads of a ravaging army, and a person may be desolate who feels himself unable to associate with others. Solitary, lonely, retired, desert, and desolate, are all applied to places, but with different modifications of solitude, which belongs to all of them. A solitary dwelling; a lonely place; a retired situation; a desert island; a desolate country. A child alone is a child left to itself; an only child is one having no brother or sister. "Virtue alone makes us happy" = virtue unaccompanied by other advantages is sufficient to make us happy; "Virtue only makes us happy" = nothing else but virtue can make us happy. So vidare *enda.*]; *en ~ vandrare,* a solitary wanderer; *hon var så ~,* she was so lonely. **-samhet,** *f.* 1. singleness, sole-

fakultet, *f.* faculty [f. of theology, medicine, law; f. of arts = *filosofiska ~en*].

fal, *adj.* eg. for sale; vendible; bildl. venal, mercenary, hireling, hack; säfv. prostitute [Syn. Although both venal and mercenary are used in a bad sense, venal is much stronger than mercenary, standing to it in the relation of sale to hire. A venal man sells himself wholly to the purchaser, sacrificing character, honour, principle, his whole individuality indeed for gain; a mercenary man acts with a view to profit in what he does, and is actuated by sordid motives, but he does not necessarily surrender himself unreservedly, or even make any sacrifice of principle. Hireling denotes that hire is the motive, as does hack, and thus implies something servile as well as mercenary, conveying more of contempt than of reprobation.]; *hålla ~*, hold for sale; bildl. bargain with; starkare prostitute [p. talents to base purposes]; *vara ~*, be venal; *allt är ~t för pengar*, everything may be had for gold; gold is everything; *~a vittnen*, hireling witnesses; säfv. affidavit men; *en ~ person*, a mercenary, hireling, hack.

fiend|e, m. enemy (of), foe helst af yttre anledning, fae sk.; i vapen foeman; motståndare antagonist, opposer, adversary [Syn. Enemy and foe are terms that imply personal hostility. A nation, an army, or an individual, engaged in carrying on war, is an enemy to the opposite party. A foe is one who is actively hostile. An adversary is one who is placed in the position of an enemy in war or in some other contest. Persons pitted against each other in an argument or other contest are opponents; those who struggle against each other are antagonists. A public or private enemy; a deadly foe; an open adversary; an opponent in debate; an antagonist in a contest.]; *hemlig ~*, secret enemy; night-foe; bosom-enemy; *oförsonlig, dödlig ~*, mortal enemy; *bitter ~*, bitter enemy; *~n*, afv. koll. the enemy; the foe; *våra ~r*, our enemies; *gå öfver till ~n*, go over to the enemy; *falla i ~ns händer*, fall into the hands of the enemy; *göra ngn till sin ~*, make an enemy of anyone; *skaffa sig ~r öfverallt*, make enemies everywhere; bring a nest of hornets about one's ears; *~ till*, enemy to; *ljusets ~r*, the enemies of light. **-eland**, n. hostile country. **-skap**, m. enmity; bildl. animosity, hatred, illwill [Syn. Enmity lies in the heart. Animosity lies in the passions; it is fierce and vindictive. Hostility lies in the action. Hatred expresses more than enmity; it derives its whole happiness from the misery and destruction of others. Illwill, as the word denotes, lies only in the mind, and is so indefinite in its signification that it admits of every conceivable degree. Rancour is a species of bitter deep-rooted enmity. — Enmity is altogether personal; hostility respects public or private measures. Personal enmity; deadly hatred: fierce animosity; active hostility; virulent rancour.]; *draga sig ngns ~*, attract (ell. come in for) anyone's enmity (ell. hatred); *lefva i ~ med*, live at enmity with. **-lig**, *adj.* hostile (to), inimical (to), foelike; bildl. afv. adverse [a. factions], averse [a. to restraint], repugnant [r. to good order], malignant [m. fate]; *göra ~*, make hostile; *~a afsigter*, hostile intents; *~a hären*, the hostile army; the enemy. **-lighet**, *f.* (a) hostility, inimicalness; adversity, averseness; ofta ill feeling, ill blood; se t. s. *-skap*. Freedom is personal and private; liberty is public. The freedom of the city are the immunities enjoyed by the city. By the same rule of distinction we speak of the freedom of the will, of manners, of conversation, of debate; but the liberty of conscience, of the press, of the subject. Freedom serves moreover to qualify the action; liberty is applied only to the agent; hence we say, to speak or think with freedom; but to have the liberty of speaking, thinking, or acting. Freedom and liberty are likewise employed for the private conduct of individuals towards each other; but the former is used in a qualified good sense, the latter often in an unqualified bad sense. There are little freedoms which may pass between youth of different sexes, so as to heighten the pleasures of society; but a modest woman will be careful to guard against any freedoms which may admit of misrepresentation, and resent every liberty offered to her as an insult.]; ~*er*, a) som man åtnjuter privileges; b) som man tager sig freedoms; c) som man tillåter sig familiarities, i fall. men. liberties; *personlig, borgerlig, politisk, religiös* ~, natural, civil, political, religious liberty; *fri- och rättigheter,* rights and privileges; immunities; *full* ~, perfect freedom; full liberty; full run (ell. swing); *ha full* ~, be quite at liberty; *tillåta sig* ~*er,* take liberties; go to great lengths; make great stretches; indulge in great latitudes; *taga sig* ~*en,* take the liberty; beg leave; make bold (ell. free); *sätta i* ~, set at liberty, set free, set loose, se *-gifva; ge* ~ *till,* licence; auktorisera authorize; *beröfva ngn* ~*en,* deprive anyone of liberty; fängsla imprison.
